Saved to Serve

1. According to the Declaration of Independence, what is the source of our rights?
2. What argument did the disciples get into over the "right" of James and John to have positions of power and authority?
3. When is a time when you felt your rights were violated? How did you feel? What did you do?
4. What's wrong with seeing yourself as the center of your own little universe? How likely are you to serve the needs of others if this is your world view?

"The Son of Man did not come to be served, but to serve, and to give his life as a ransom for many." --*Mark 10:45*
